The School Council is a group of children who are elected to represent the views of all pupils and to help improve their school. The focus of the school council this year is to work towards becoming an Eco-School. Eco-Schools is an international award programme that guides schools on their sustainable journey, providing a framework to help embed these principles into the heart of school life.

Safer Internet Day

On Tuesday 4th October, we are pleased to welcome Lorin from the Beck Foundation. Lorin will be with us all day giving age appropriate messages about e-safety to each year group from Reception to Year 6, about how to stay safe online. She is also staying after school to deliver her talk to families in the Main Hall from 3:30pm until 4:30pm and again from 6:30 to 7:30pm with an opportunity to answer questions at the end of each session.

As all pupils will have a session with her during the day, for her talks after school we ask that no children attend due to the nature of her messages and personal experiences. For the 3:30-4:30pm talk we will have an open classroom available for families who are unable to make alternative childcare arrangements. This room will be supervised by several Learning Assistants. We are unable to provide child care for the 6:30pm session.

Parental Suggestion Box

Thank you to those parents that have sent in suggestions via the suggestion box that was launched this week. The leadership team will collect them regularly and try to keep you updated with any changes or improvements which come from the suggestions. We welcome the feedback.
