

Snow News

We are pleased to see blue skies this morning and wave goodbye to the 'Beast of the East'. We would like to thank staff and parents that braved the inclement weather last week and travelled to school through the snow. It is always a difficult decision to make, whether to open or close when the weather is bad, but we are very fortunate and have a good team that pulled together to make the site safe so that we could open. We thank you all for your patience and understanding.

The children in Nursery wrapped up warm and thoroughly enjoyed playing in the snow! They made snow angels and used powder paint to do some 'snow art'.

World Book Day – Thursday 1st March

There was a wonderful atmosphere in school on World book Day when children and staff braved the weather and came to school dressed as their favourite book characters. There were some amazing and inventive costumes! The children had an enjoyable day – they each took to the catwalk to show off their costumes in a costume parade and swapped classes to share their favourite book with other year groups.

More photos will be available on the website in the gallery.

Bags 2 School Collection – Monday 12th March

Please bring in any Bags 2 School on Monday 12th March in the morning – the bags will be collected at 9.00am. If you have any clothes, shoes, handbags or soft toys to recycle please 'fill your bag' and return it to school first thing on Monday. The bags are being collected at 9.00am. This is a good fund raising event, we receive commission per tonne of items recycled. Please place all bags in the shelter on the front playground. Thank you.

Science News

During assembly this morning Miss Brazier was presented with a cheque to the value of £950 from the Worshipful Company of Glass Sellers. This is a donation to purchase 20 microscopes which the children will be able to use during science.

After School Clubs

On Tuesday and Thursday we have parents evening, therefore the clubs that are run by teachers will not be on this week. The clubs that are cancelled are: Art Club, Science Club, Choir, Parkour and Spanish Club. We apologise for any inconvenience.

Parents Evening

Parents evening appointments will be in the main hall for KS2 and lower school hall for KS1. Chartwells, who provide our school dinners, will have a stand in the school foyer on your way in. Please stop and have a look at the range of meals on display, there will be samples for you to taste.
