

Caterham School Community Day

On Wednesday Year 5 visited Caterham School where they were able to sample different subjects and activities lead by the staff and sixth form. The sessions included photography and coding - making a short film, and maths and drama. In the afternoon there were many outdoor activities including lacrosse, frisbee, hockey, cricket and netball. It was a wonderful opportunity to experience extended learning in a different environment. The children had a wonderful day! We are very grateful to Caterham School for providing the transport and arranging the activity day.

Timestables Rock!

On Friday three children from Year 6 travelled up to London with Mrs Gear and Miss Matthews to take part in their first Timestable Rockstars Rock Wrangle. The children competed against other mathematicians from across London and the South East to try and win the title of Supreme Ultimate Rock Hero for Eternity.

All three pupils did brilliantly and although we didn't make the finals, we had great fun and certainly picked up a few tactics that we can use next year. 'Well done boys - you were all super!' Mrs Gear

Make someone's day!

It is always lovely to hear words of appreciation and as we approach the end of the academic year, it is an ideal time to show this appreciation. If you would like to show your appreciation to **any** member of the Hillcroft staff team, then please do so using the link below, by making a short comment. I will forward the comments to the relevant people and would love to bring a smile to the faces of the hardworking staff at Hillcroft. This link will be open for the next two weeks.
