

## Science Fair

Well done to all the children that took part in our Science Fair last week, there were some very interesting and well-presented entries. We would like to thank Mr & Mrs Jewell who took time out of their busy schedules to help us with the judging, which is never an easy task.

The first prizes this year went to:

**KS2** - Oliver Tatara in Year 4 for his investigation and presentation on How Far Will it Fly

**KS1** – Leela landoli and Georgia Key in Year 2 for creating their own water filter using natural materials following an investigation on How Water Filter Jugs Work.

## Bags 2 School

We have a partnership with a company called Bag 2 School, which specialises in recycling good quality second hand clothing that can be re-used, and fundraising for the school.

**Our next Bags 2 School collection is on Thursday 25<sup>th</sup> April.** The Bag 2 School collection bags will be given to the children before the Easter holidays. If you are having a sort out, please save any good quality second hand clothing for your Bags 2 School bag. If you collect more than a bag full – any bag will do. The more we collect the bigger the benefit to our school! All the bags we collect are weighed and the school receives payment per tonne. There is no limit on the number of bags to fill!

Please bring in all bags on **THURSDAY 25<sup>th</sup> April** and leave them in the shelter in the front playground ready for collection at 9.15am. Please do not return the bags to school before this date, we do not have the room to store them.

Our last Bags 2 School collection in November raised £72.00.

Thank you for your continued support.
