

## Online School Uniform

Online School Uniform will be launching their new website at the end of half term. To enable them to make the necessary amendments the site will be down on Friday 17<sup>th</sup> February until Monday 20<sup>th</sup> February, therefore you will not be able to place orders at this time. From Monday 20<sup>th</sup> February you will find the website will look a little different.

## Bags 2 School

Please help us to raise funds for the school by recycling any unwanted clothing.

We have a partnership with a company called Bag 2 School, which specialises in recycling **good quality second hand clothing that can be re-used**, and fundraising for the school. All clothing collected by Bags 2 School is sold to importers and wholesalers in many countries of Eastern and Western Europe, Africa and Asia.

Bag 2 School bags are being given to the children this week. If you collect more than a bag full – any bag will do. The more we collect the bigger the benefit to our school! All the bags we collect are weighed and the school receives payment per tonne. There is no limit on the number of bags to fill!

Please bring in all bags on **MONDAY 6<sup>th</sup> MARCH** and leave them in the shelter in the front playground ready for collection at 9.00am. Please do not return the bags to school before this date, we do not have the room to store them. Thank you.

Bags 2 School accept the following '**good quality**' items for RE-USE:

- Men's, Ladies and Children's clothing
- Paired shoes (tied together or elastic band around)
- Handbags
- Hats
- Bags
- Scarves and ties
- Jewellery
- Lingerie
- Socks
- Belts
- Soft toys
- Household linen
- Curtains
- Towels
- Bedding (bed sheets, pillow cases and duvet covers)

They **DO NOT** accept:

- Duvets and blankets
- Pillows and cushions
- Carpets, rugs and mats (including bath, shower and toilet mats)
- Soiled, painted, ripped or wet clothing
- School uniforms with and without logo
- Corporate clothing and workwear
- Textile off cuts, yarns or threaded material

## Science Fair

Isabel Bruce, in year 3, and her brother Ethan, in year 1, are the proud winners of this year's Science Fair with their investigation 'How does the surface area affect the cooling of a liquid' – which was research into 'what container allows their porridge to cool down the fastest'.

Isabel and Ethan, along with 17 runners up, will be attending the GLF Science Fair Grand Final at the University of Surrey in Guildford on 1<sup>st</sup> March.

## NSPCC Number Day

Thank you for supporting the NSPCC with sponsorship on number day, so far we have collected £619.00.

Congratulations to the winners of the Home Learning Maths challenge, Tammy Dowsett (reception), Sienna Winters (year 1), Sophie Arnold (year 3) and Izzy Challen (year 4).
