

## Parking

Please park considerately when dropping off and picking up your child from school. There is a public car park at Town End that offers FREE parking and it is only a short walk from school.

- Please **DO NOT park** in the **library car park** unless you are actually using the library.
- Please **DO NOT park** in the **Doctors Surgery**
- Please be considerate of our neighbours – do not park across driveways, on pavements or on double yellow lines.

The end of term is always a busy and exciting time. This week the Reception Classes had an Easter Bonnet Parade – their bonnets were so colourful, a real splash of Spring!

Year 1 enjoyed a visit from Theatre Exchange who did an interactive workshop around the Great Fire of London.

Year 3 celebrated the end of term by presenting their topic work to their parents in an assembly. The termly Headteachers Awards, 100% Attendance Prizes and Behaviour Certificates were given out in assemblies during the week, and the children that were nominated by their class teacher for displaying exemplary behaviour in their class were rewarded with afternoon tea at the tea rooms in Caterham.

Congratulations to our Year 6 Football team who were the runners up at the football ralley last week. They played an amazing game and only lost on penalties.

We would like to wish you all a good Easter break and look forward to welcoming the children back on Tuesday 18<sup>th</sup> April for the Summer Term.

## Bird Box

The live feed to the bird box is working again; we had a few problems at the beginning of this week but it is all sorted out now. The birds have been very busy – the box is filling up with nesting material and we hope we may see a clutch of eggs soon.

The Schools Bird Box Project is an opportunity to stream and share live video of the birds that visit the schools nesting box. To watch our bird box log on to [www.seenature.org.uk](http://www.seenature.org.uk) - click on the live stream tab and then click on Hillcroft Primary School. All the schools that have a 'green dot' are streaming live.
