

Art Week

This week we have been celebrating all kinds of Art. On Tuesday Mrs Enfield ran an art workshop in the main hall for all children from Year 1 to Year 6. The remainder of the week each year group has been studying a different artist and creating pictures in the style of their chosen artist. The children's work will be on display in their classrooms on Friday 23rd June from 3.15pm, please visit your child's class to see the exhibits of their work.

Year 5 Netball Festival

Year 5 took part in a Netball Festival at de Stafford this week, in preparation for next year when they will take part in the Year 6 Netball League. They learnt different skills in a carousel of drills lead by de Stafford pupils before playing in friendly matches against other local primary schools. Although the matches were friendly, they were very pleased to win their pool, and really enjoyed playing.

International Visitors

We were pleased to welcome 17 delegates from the Ministry of Education in South Korea to school today. Their visit was arranged through CAS (Computing at Schools) so they could learn about computer teaching in our school. The information our visitors take with them will have a direct impact on the teaching skills in South Korea, it was a privilege to be asked to host them.

Internet Safety

We would like to warn you about a video social network site called Musical.ly and the live streaming app Live.ly. These apps make it easy to create and share videos with friends, or the wider community. Sadly, it has recently been reported that children as young as 9 years old using this app are being groomed and some have received sexually explicit messages. Please make sure you know what sites your children access online and ensure that their security settings are correct. Should you have any questions about this, please contact Mrs Macleod w.macleod@hillcroftschoo.org. Please note that these apps are rated 12+ and therefore children under 12 years old should not have access.
